Cindy, you can send me email anytime you like. It'll just be there waiting for me in the morning.

Lauren and I are on your schedule for 3:00 - 3:45 today to discuss some other items. Do we need to schedule some more time with you, or do you want us to try to fit it all in at that time?

My calendar is up to date on Notes, and you can call me at any time.

Thank you,

Hi Holly,  
I apologize for sending you a note so late, but I am sending this so that I don't forget...

I would like to discuss the data flagging issues with you for both Phase 4 and Phase 5.

Please let me know when you have time to discuss.  
Thanks in advance.  
Cindy
